### ~ A FEW AUDIENCE ETIQUETTE REMINDERS ~

- As per District Music Department Policy, **all performers are expected to attend the entire concert**, to support their classmates and performing peers.
- We respectfully request that **all guests remain in the audience for the entire performance** to support all students - in Choir and Band - that have worked hard to prepare a night of entertainment for you.
- Above all, this is an educational experience.** One of the greatest lessons we can teach our kids - by example - is how to be a respectful audience for members of our community that choose to enrich our lives through art and entertainment.
